Subject: Announcing Executive Leadership Transitions at Pressco Products.

Dear Valued Customer,

Pressco Products is pleased to announce key leadership changes as part of our ongoing commitment to operational excellence and strategic growth. Effective May 6, 2026, Jenn Nordyke has transitioned from Quality Manager to General Manager. Jenn brings over 30 years of specialized experience in the aerospace industry and is a certified Six Sigma professional. Since joining Pressco two years ago, she has been a vital asset to our team, and we look forward to her leadership in driving the company toward a stronger future.

To succeed Jenn, we are excited to welcome Jennifer Wright as our new Quality Manager. With over 15 years of experience across multiple sectors of the aerospace industry, Jennifer's expertise will be instrumental in maintaining our high standards of excellence. Please join us in welcoming Jennifer to the team and congratulating Jenn on her new role.

Sincerely,

Sean McHugh
